

## MyBSWHealth App Houses Health Plan and Health System Info in One Convenient Location

The MyBSWHealth app is the easy and convenient way to manage your health care and access your health benefits. To get the app for the first time, use your smart phone or mobile device to visit the [App Store](#) or [Google Play](#). If you already have MyBSWHealth on your smart phone or mobile device, make sure you update to the latest version of the app for access to the latest capabilities. (Note: While you may be able to access the App Store or Google Play on your laptop or desktop, the apps will not install on those devices.)

## Log in to your Scott & White Health Plan account

To log in, select the "**Health Plan**" icon. Use the same username and password you use for the Member Portal. For first time users to the Member Portal, please complete the registration [here](#).

Once logged in, you can search for "**Providers**" and "**Locations**" within your network from the "**Home**" icon.

- The "**Providers**" search option allows you to determine your search settings by selecting the advanced option.
- Click on "**Any**" from the "**Locations**" search option to expand the types of providers available to search. Tier 1 providers will be listed first in your search results.
- Select the "**Health Plan**" icon and you can view your insurance card, review plan details, and access claim information, deductibles, and out-of-pocket amounts.

## MyChart Access

If you have a MyChart account, you can view your medical records, manage appointments, pay provider bills, renew prescriptions, and more for your Baylor Scott & White Health Providers. If you need to set up a MyChart account, contact the Patient Technical Support Line via email at [MyChart@bswhealth.org](mailto:MyChart@bswhealth.org) or by phone at (855) 691-0180.
